

Maryland Chapter

American Concrete Institute®

Annual Concrete Awards

“Excellence in Concrete”

Nominations are now being accepted for
Maryland concrete projects completed in 2010!
(Completed submittals must be received by March 25th, 2011)

The Maryland Chapter of the American Concrete Institute Awards Committee will recognize outstanding concrete projects at the Annual Awards Banquet on Thursday, May 26th at the Engineering Society of Baltimore.

Projects completed between January 1, 2010 and December 31, 2010 may be nominated. Projects in Prince George’s County or Montgomery County must be submitted to National Capital Chapter of the American Concrete Institute.

Nominations may be classified under the following categories:

- | | |
|-------------------------------|--|
| 1. SUSTAINABILITY | Exemplifies environmental stewardship |
| 2. PUBLIC BUILDINGS | Municipal, Cultural, Academic, Ecclesiastical, etc. |
| 3. COMMERCIAL BUILDINGS | Office, hotel, hospital, etc. |
| 4. TILT-UP BUILDINGS | Any type of building where tilt-up is used |
| 5. HEAVY CONSTRUCTION | Pavements, Bridge Structures, Public Works, etc. |
| 6. PARKING STRUCTURES | New construction |
| 7. RESIDENTIAL BUILDINGS | Single Family, Townhouse, Condominiums, etc. |
| 8. REHABILITATION | Any of the categories listed |
| 9. ARCHITECTURAL / DECORATIVE | Used in any type of project |
| 10. MISCELLANEOUS | Any use of concrete structure or use of concrete not on the above categories |

Awards will be presented to the following project team participants:

Owner
Architect
Structural Engineer
General Contractor
Concrete Contractor
Concrete Specialty Contractor
Concrete Supplier

Guidelines and nomination application are attached.

GUIDELINES FOR THE ANNUAL CONCRETE AWARDS

NOMINATIONS CRITERIA

1. The project shall be completed in the state of Maryland (Except Prince George's County or Montgomery County) between January 1, 2010 and December 31, 2010.
2. Project design and construction shall represent the best concept, originality and applicability of concrete or depict advancement of knowledge and practices in the field of concrete construction.
3. The project may be:
 - a. A cast-in-place structure
 - b. A pre-cast / site-cast structure
 - c. A pre-stressed / post-tensioned concrete structure
 - d. A structure employing a steel frame provided a significant percentage of concrete is used in a creative and innovative manner
4. Concrete masonry does not qualify for the concrete awards competition.
5. The size of the project or volume of concrete used in the project will not be a factor as the judging process takes place.
6. Award winners may be requested to furnish presentation material (PowerPoint slides) for the Awards Banquet scheduled for Thursday, May 26, 2011.
7. All submittals shall become the sole property of the Maryland Chapter of the American Concrete Institute.

SUBMITTALS MUST INCLUDE THE FOLLOWING:

1. Contact information for all Project Team Participants must be completed on the Project Nomination Application.
2. Photographs of the Project (6 Minimum). If possible, include photographs showing the project under construction as well as completed. All photographs must be digital.
3. A written description of the project. The written information must indicate, describe and emphasize the architectural, engineering, construction method or workmanship areas of the project which are significant and noteworthy.

ENTRY DEADLINE:

All entries must be received by March 25, 2011 to be considered by the awards committee. Please send completed submittals to:
